Transformative Climate Communities

- AB 2722 (Burke) signed September 14
- One-time appropriation of \$140 million
- Proposed rulemaking on allocation of funds released on September 23, focusing on most disadvantaged communities
 - Public comment period currently open
 - Public hearing on the proposed rulemaking on November 7 in Fresno
- Rulemaking is first of several actions to develop the Program – at a future date, staff will propose timeline for guidelines development and selection criteria.
